Member Responsibilities

In order to provide you with the services that you expect as a member of LCOC your membership record must be current at all times. Updating your membership record can be handled two ways. You can go online to www.lcoc.org and update your information in real-time. The second way is to contact Cornerstone, our membership office, by calling 1-763-420-7829 or sending a E-mail to LCOC@cornerstonereg.com. Good and timely communications between you and the membership office will assure that the publications are mailed to the correct address and that your information on our online membership search system is correct for all our other active LCOC members.

1. **RENEWAL NOTICE:** Please return promptly as second notices are costly. The renewal form includes an area for member feedback. This is your opportunity to make suggestions to improve the club.
2. **LEGIBILITY:** Please type or print.
3. **ADDRESS:** If your address changes, notify the membership office immediately. Second class mail is returned with postage due after two months. When mail is returned, your record is flagged as a bad address and you will receive no additional mailings. If you think that you have missed a publication, verify your address with the membership office.
4. **TELEPHONE:** Has your area code changed? Did your home or work number change? Is your fax number correct?
5. **E-MAIL:** Is your E-mail address on record? Has your E-mail address changed?
6. **CARS:** Are the cars listed on your renewal notice or in the Directory correct? Are all VIN Numbers correct?
 - a. Have you added any cars to your collection?
 - b. **Description:** Check the Directory listing by year to assure that your car is described correctly.
 - c. **VIN NUMBERS:** VIN Numbers are required for all cars. Cars currently on file without VIN Numbers will not be listed in the Directory.
 - d. **Deleting a car:** If the car has a new owner please provide the membership office with the name, address, and phone number of the new owner so that they can invite the new owner to join LCOC.
