Spring 2011

Fresh Off the Grill From Lana Hill, North Texas Region Director

Joe and I represented North Texas Region at the 3 day LCOC Board of Directors Meeting in Metairie near New Orleans. I'll be glad to share my meeting notes with y'all.

We're looking forward to presenting a 2010 Merit Award plaque to Kurt Wetterling, North Texas Region Editor of "The Continental Gazette". Kurt was recognized by the Lincoln and Continental Owners Club Region Newsletter Editor Recognition Program at this meeting. We're so proud of our Editor and what our newsletter means to us all.

Our Spring Meetings began with our annual trek to look at the local [Orphan Cars](#) put on by the Hudson Club. Of course the Terraplanes were well represented. There were several Studebakers and a few Avantis. It will take me awhile to get used to Oldsmobile being in this category. We visited with people we only see once a year at this show. That may be why it takes us 5 hours to see it. Jim Raymond showed off his Chrysler in the overflow parking lot. Marti Fagley showed up at Skinny's in her new Volvo hardtop convertible. Some of our members had booths at the Decatur Swap Meet.

The North Texas Region tried out the [Christian Classic Cruisers](#) March car show in North Richland Hills. Joe and I have done this meet on the 3rd Saturday for years. There were several hundred cars and lots of onlookers including some of our members. One of our new members, George Lang, is pictured by his wife Dot's light green T-Bird. This show is a chance to take out your other cars. Our red convertible took Ladies Choice. Well, they could have voted for the tank or the old postal truck. We drove home at 9:30 p.m. in 74 degree weather with the top down; directly towards the very bright, close up full moon. As they say, "priceless".

The infamous [Salado All Texas Meet](#) was photographed by Bob Hardisty. Congratulations to each of the North Texas Winners. Gary Birk also put 111 photos on Flickr. I forwarded his email. Put the April 20th - 22nd, 2012 date on your calendar now.

Jump in when you can. You are missed when you don't.

Next quarter our plan is to do the Wood Waves & Wheels car show again at the Fort Worth Boat Club on Eagle Mountain Lake, try something new with the Moslah Shrine Car Show in Fort Worth, and July will be an Ice Cream Social in the park.

REMINDER: Purchase a \$12.50 North Texas Region LCOC name tag from Carol Mattix, No.TX Treasurer. Send her the \$12.50 and she will get you one. We have a cash drawing each monthly meeting from attending name tags.

How long have you owned a car ???

If you have any friends that own Lincolns of any age, tell them about the Lincoln and Continental Owners Club. Get them to sign up for 2011 and they will receive a membership in the North Texas Region free for the first year. A value you just can't beat. Our Director has a few FREE National memberships left also. Better yet, give them a LCOC National membership as a holiday gift. While we have some of the best members in our club, and if they are a friend of yours, they will be more than welcome in the club. If you do not want to do the hard sell, give Lana Hill a call and pass on the information. She will give your friends a call and get them signed up in the club PDQ. And, if you just want us to send a copy of the latest newsletter, call or email and we will send a copy out within a day or two. We welcome new members and the door is always left open for them.

He noted each officer position is a one year term that begins on January 1, 2011. He advised he was not aware of any one other than the incumbents running for each office. President Kramer then asked if there were any other candidates. Hearing none, he asked if there was any objection to having 2011 officers elected as a slate in one motion. Hearing none, he entertained a motion from Director Hill to elect Glen Kramer as President, Art Whitmire as Executive Vice President, Bob Johnson as Vice President for Regions, Jack Shea as Treasurer, and Darren Klingler as Secretary; Director Bailey seconded. The motion was unanimously approved. Therefore, the President declared the previously mentioned Directors as re-elected officers for next year.
