

## Beau Verre Studio Tour

We had 12 Southern Ohio LCOC members attend the Beau Verre Riordan Studio Stained Glass Tour. We met for a tour of their studios and the history of the design and production of the lost art of stained glass and the process to repair damaged or broken stained glass. We were shown the studios and the actual work room for the production of the stained glass art.

We had lunch in the restaurant that joins the studio. It was a great tour and lunch!
