Club President Comes Out of Retirement

Here's a couple of pics Ryan and I took today. We reunited Ted with his old tow truck (it now belongs to Ryan) today to help us move this 1972 Continental parts car and a 1976 Buick Regal that had both been sitting for the last 25 years. The cars were given to us by a Lincoln enthusiast who's only request was that we use the parts to save other Lincoln's and maybe a Buick's or two.
