

SAVE THE DATES! September 20-24

Please mark your calendars this September to join us at the 2023 LCOC Mid-America Meet at the beautiful Crowne Plaza Hotel.

All of the days will be filled with tech sessions, guest speakers, an exciting new auction format, fantastic tours of local attractions including The Abraham Lincoln Presidential Library and Museum, fun Route 66 restaurants and a very special car collection, not open to the public! The hotel property has plenty of parking is available for trailer parking

Cornerstone will be handling all meet registrations and will provide a link to the hotel to set up room reservations. This is a very busy time of year for Springfield and some meet events will be limited in numbers, so **PLEASE** register as early as you can.

The Crowne Plaza Hotel will be taking reservations shortly, so stay tuned!
