## A Message from the Director

Hello to everyone,

Saturday, June 17th was a wonderful event at Jack and Ann Bowser's home. Jack showed 15 of us two floors of cars and memorabilia and after that, a buffet lunch was served.

Since it was such a nice day, we had our meal outdoors on their beautiful patio. Those attending were Terry Burns and guest Larry Hogan, Joe & Barb Esdale, Marilyn Karsh, Tom Klockau, John & Mary McCarthy, Dick Nelson, Joe Russo, Reuben Taylor, Jim Wiltse & Mar Robinson. We then caravanned a short distance away to member Jim Manz' extensive collection of cars and memorabilia. It was mind boggling to be able to view these great collections. See pages 14 & 15 for photos.

One event coming up soon is the Lamb's Farm Car show on July 16th in Libertyville, IL. Lots of cars to see - music - food and stores to visit. You might even go home with a puppy!! Bring a chair so you can be comfortable while talking about the different vehicles that people bring to this event. See pages 7-9 for more information.

On August 6, the Annual Vintage Transport Extravaganza will be held at the Illinois Railway Museum in Union, IL. The event brings together the "other" popular modes of transportation - cars, trucks, buses, train rides and more. a great day for all of the family. See page 10 for this event's Vehicle Registration Form.

August 27 is the fantastic Geneva Concours d'Elegance in Geneva, IL. See page 11 for more information about this event.

September 9th is another great event for the entire family. It will be held in Settlers Park, Paddock Lake, WI. Bring a chair to sit lakeside, enjoy the breezes, music and good food. See page 12 for more information.

Let's all make this the best year ever for getting together and attending the well-planned activities and events for the Lake Shore Region - especially the Mid-America Meet in Springfield, IL. being held September 20 - 24! Be a part of it, volunteer to help, join in on the fun, you'll be glad you did.

Hope you will join us at our fun events and activities. That's what our club is all about - gathering with our long-time friends, meeting new ones and discussing and showing off our Lincolns.

See you soon, Barb Esdale, Lake Shore Region Director

## 'Round and About...

*Remember....you heard it here first!!*

*Did you know.....*

Lee Iacocca is remembered as the father of the Ford Mustang and the Chrysler Minivan, but there was another Iacocca vehicle that changed the Motor City: the Lincoln Continental Mark III.

*Lake Shore Lincoln One Liners.....*

A bicycle can't stand alone, it's too tired.  
Time flies like an arrow, fruit flies like a banana.  
When a chicken crosses the road it's poultry in motion.

Show me a piano falling down a mine shaft and  
I'll show you A-flat minor.

## LSR – LCOC MEMBERSHIP NEWS!

First, I'd like to write that after so many years as your Lake Shore Regional Membership Director, I feel it's time to have someone step in and take my place. While I have enjoyed the position, I'm looking for a change and this club needs someone with a fresh perspective on how we can increase membership. This change will take place in the next month or as soon as a suitable candidate can be chosen.

Are you an energetic person who has a passion for Lincoln and this club? Please contact Ms. Esdale for more information on this position and I will of course assist in the transition.

Instead of our usual Member Spotlight column this month, and because our Mid-America Meet registration is coming up very quickly, I thought I would write a few words about this exciting event upcoming in Springfield this September 20-24. I have been actively involved in the development of this Meet with many other folks and it's going to be fantastic! And how does this affect membership? Plenty! If you know of anyone even remotely interested in Lincolns, this is the time get them to fill out an application and attend the event. It is a proven fact that national meets can dramatically affect not gaining only new members, but let's not forget about those we might have lost over the last couple of years with Covid-19. This Meet I feel will be the biggest and greatest Chicago based Lincoln event in almost 10 years!

Very shortly you will be able to register for the Meet either online or by printing the application, filling it in and then mailing in the form to Cornerstone Registration. All of this information will be posted on the LCOC website and that's why I wanted to encourage you to sign up for all the festivities as soon as you are able to do so. It has never been easier and faster to get signed up.

Springfield Illinois has a dazzling amount of historic places to visit and therefore, unlike national meets in the past, our first event will be on **Wednesday afternoon** (before our traditional Early Bird Buffet).

## ***LSR – LCOC MEMBERSHIP NEWS! (cont. from page 3)***

Thursday there are several tours planned and the day will conclude with a wonderful buffet welcome jazz party planned at the Green Lincoln dealership of Springfield.

Mr. Colin Liss, General Manager of Green Lincoln, will have our cars set up in a roped off area in front and will also have some lucky attendees park their antique Lincolns inside this beautiful showroom from 6:00 P.M. to 8:00 P.M. We will have highly talented jazz musicians to entertain us while we enjoy hors d'oeuvres. Green Lincoln is a short easy 10 to 15 minute drive from our host hotel and will be a wonderful conclusion to a great day.

Friday will be a driving tour day and our auction will be selling one-of-a-kind items that I KNOW you have never seen before. Included will be original design signed sketches from one of the exterior designers who developed the Mark III.

Saturday will of course have our spectacular judged car show and our formal, black-tie optional awards banquet on Saturday evening. If you have never attended our LCOC awards banquets, you are in for a real treat. In addition to the awards ceremony, a key Lincoln Motor Company executive.....maybe THE Lincoln executive will be giving a video presentation and assisting in the giving of the awards. This will NOT be your typical car club dinner – this will be an EVENT!

Lastly, I wish to remind you all how important it is to sign up as soon as you can to take advantage of the tours. Most of these are limited to only 50 people due to bus capacity and other reasons so as soon as registration becomes available, sign up! You sure don't want to miss out on a tour that you really want to take part.

See you in Springfield in September!
