## A Message from the Director

**Hi to all,**

March came in like a lion and went out like a lamb but April started us off with some nasty storms. Now we've been told that we are getting some warmer temperatures.

With the spring weather appearing, it is now time to get our Lincolns out for Lake Shore Region's activities. Check out the calendar on page 4 as we have many new events and also some of our favorites listed this year.

See page 9 for our event of "Take your Lincolns and T-birds to Lunch" on Saturday, April 29th. The Chicagoland T-bird group is joining us and we will have our own car show in the restaurant parking lot after lunch. Information is on page 9. Be sure and send in your reservation and payment as soon as possible. We need to let the restaurant know how many people will attend.

The month of May takes us to Sandwich, IL for the Antique Car Show & Swap Meet - - see page 10. Look for our tent and Lincoln banner!

June brings us back to the northern Illinois suburbs for a great day of viewing two of our LSR members car collections. You won't want to miss these beautiful cars and extensive memorabilia. See page 11 for more information.

In July we have chosen the Lambs Farm car show benefit. This is a fun day to see all the different types of vehicles people bring to this event. See pages 12 -14. Save the date!

August takes us to the historic downtown business district of Geneva, IL for the Geneva Concours d'Elegance. And the cars are definitely elegant!! This is an annual event celebration and one of the featured cars are the Continentals. This is really a wonderful day for viewing so many beautiful cars. Shops and eateries are also fun to visit. See page 15 for more information on pre-registration that should be sent in soon.

All of these events mentioned so far are going to be really great activities but there are more to come. Mark your calendars and stay tuned for more information in upcoming newsletters. Hope to see you at many, if not all, of these events.

Barb Esdale, Director - Lake Shore Region

## ***LSR – LCOC MEMBERSHIP NEWS!***

Well spring is certainly in the air now and that means car show season is about to begin. We have a lot of activities planned for this summer, so check this newsletter and get these on your calendar. Personally, my goal is to finally resolve the drivability issues with my 1948 Continental, namely that it dies without notice and of course I'm still dealing with the hot starting issue.

The National Meet in Springfield is moving along nicely. We have had some recent conference calls going over all the details in order for us to have a smooth-running gathering that is fun for everyone involved!

Speaking of the Meet, I would like to begin to think about a caravan of the Lake Shore Region members to drive down to Springfield. I have found these to be a lot more interesting than just going solo. Do I have a volunteer to head up such an idea?

As a Lake Shore Member, did you know that you have a discount at any O'Rielly's Auto Parts store? It's true! Some purchases there will be a small amount, but other items can be discounted as much as 30%! When you're at the checkout counter, make sure you order under "Lake Shore Lincolns". This program is open to you at any O'Rielly's store.

## Lake Shore Region's Membership Spotlight!

The Member's Spotlight this issue is Jack Bowser. Jack's love of his many Mark II's and other cars is very interesting, thanks Jack for the submission.

I saw my first Mark II back in 1959 when I was living in Lake Forest, Illinois.

I knew I could never afford to own one but never forgot the impression that car made on me.

Three years later when I was in the Army, I saw one on a used car lot in Georgia where I was stationed at that time.

I had to go look at it. I was driving my white 57 Thunderbird. The owner of the used car lot came over and asked me if I was interested in the car. I told him I was a second lieutenant making \$222.00 a month. He told me that his lady friend wanted a white 57 Thunderbird and a short time later I drove off the lot in my dream car.

I enjoyed that car for a couple years but sold it the night before Ann & I got married.

*Jack's first Mark II that he would love to locate.*

*Jack & Ann's custom convertible.*

Several years later I bought one that was converted into a convertible, then I bought my 3rd one and in 2018 I bought my 4th one that I am enjoying now.

Since only the wealthy could afford a Mark II that cost \$10,000.00 back in

## *Lake Shore Lincoln Lines (Membership Spotlight cont...)*

1956 (the cost of the average house back then) most Mark II's were only driven in nice weather to Church or the country club. Therefore, many have survived in very good condition. My present one looks like it has never been driven in bad weather. Everything is still original on my car except fresh paint in the original color.

# GENEVA CONCOURS *d'Elegance*

**Geneva, IL**  
**Sunday, August 27th**

Sunday, August 27th is a ways off but there is pre-registration forms that need to be filled out and sent in for the annual Geneva Concours d'Elegance event if you plan on attending with your car. The featured vehicles will include the Springfield Rolls Royce, Continentals (Edsel Ford's dream), cars of the Classic Era, Micro cars and Tuner Cars.

Here is the website [www.genevaconcours.net](http://www.genevaconcours.net) Click on Application. You will see two choices - - Concours Nominations and Car Clubs. The car clubs parking area is for cars that are not judged by the Concours judges. Fill out the information sheet(s) for whichever applies to you and send in soon. Each car owner will have to register, sign the liability form and send in their \$20.00 registration fee. Early registration is very important. There is a limited amount of room for the many car clubs. If you do not register, you won't have a reserved spot in the lot. As individual registration forms/fee are received, each member will be sent an acknowledgement and a map to get to the Kane County Court House.

## Other Events of Interest

Bob Johnson, Director of the Minnesota North Star Regions, has invited members of the Lake Shore Region to join them at the Wisconsin Dells area when Mark Platt hosts the North Star Regions 17th Out State Lincoln Free Car Show at his Collector Car Garage, 301 Race Street, Wisconsin Dells, WI on **Saturday, May 13th** that begins at 9:00 a.m. This event is focused on our Lincoln brand of any model year, stock or modified. Come and share your passion with other owners of these distinctive Lincoln cars at this beautiful and unique location across the street from the Mark Platt's Collector Car Garage. Free lunch is provided. Spectators free.

Reply to Bob Johnson if you are attending and bringing a Lincoln car so the proper amount of food is prepared for this event.

## The Klairmont Kollection by Terry Burns

On April 5<sup>th</sup> a group of LSR members joined fellow classic car enthusiasts from the Classic Thunderbird Club of Chicagoland to enjoy the day at the Klairmont Kollection in Chicago. The drive to get there is an interesting trip down memory lane with a little imagination. The remains of facelifted old car dealers on Cicero Avenue was intriguing at least to this guy. Before going further, I did not attend this outing with the LSR group but went back in February with some friends from the Buick Club.

The outside of the building is very imposing if approaching from one of the side residential streets. The building built in 1951 used to house a large magazine printing operations. At over 268,000 square feet there is plenty of room for a great car collection. The collection was owned by highly decorated WW II veteran Larry Klairmont who made his fortune from the dry cleaning businesses **and did not start his collection until he was in his 70's! How's that for** motivation. The collection is now formed as a not-for-profit foundation.

Right in the door, the collection puts you in awe. Cadillacs, Lincolns and **Packard's all in impeccable** condition, some very rare. I spent nearly 30 minutes just in this room reading the descriptions on the **Caddy's and Lincolns.**

Two of the more impressionable vehicles in the collection in my opinion was the 2002 Continental Concept Car that was first unveiled at the 2002 Los Angeles Auto Show. It

featured many iconic styling ideas from the 1964 Continental including the suicide door arrangement. Features that did not make it to production Continental were the rear seats that folded into a bed (remember the Ramblers did that), the Aston Martin 6 litre V12 and the goofy hatchback arrangement.

## *Lake Shore Lincoln Lines - Events (Klaimont Kollection cont...)*

The other vehicle was the Golden Sarah originally designed off a 1953 Lincoln Capri by George Barris (think Batmobile) featured 24 carat gold plated interior and exterior trim and the bizarre Goodyear Translucent Luminous tires (yes they light up) The car was bought through Mecum Auctions in 2018 for 350,000.00 and fully restored for the collection at a cost near a million bucks, so the sign said. It is definitely a sight to behold.

There were many other rare show vehicles, pace cars, muscle cars to see including a really creative indoor version of an outdoor movie theater using of course real classic cars. This collection is well worth the encountered traffic to visit

After the group spent a couple hours walking through the collection, some enjoyed lunch nearby at La Villa Restaurant in Chicago. In business since 1972. Those who attended were Harry Came. Barb & Joe Esdale, Dick Nelson, Reuben Taylor and Nick Yassin.
