A Message from the Director

Hi to all,

Car season is still well on its way but there are still several fun and interesting events to attend with us. See the calendar on page 4 and mark your own calendar with these activities that have been planned for you.

Just a reminder that the Geneva Concours d'Elegance is August 27 and you won't want to miss this stunning collection of cars. See page 11 for more information.

On September 9th is "Lincolns on the Lake". This is located at a beautiful setting for all kinds of cars but especially our Lincolns. See page 13 for all of the extra activities being offered on this fun day.

October 14 has been added to the calendar with a paddlewheel boat ride with meal included and an outstanding view of the famous Blackhawk statue as we cruise along the Rock River. See page 14 to sign up for this Autumn event. As the date gets closer, a special email will be sent out and hopefully people will join in to caravan to this scenic adventure.

Please fill out the survey on page 6. It will help Lake Shore Region to plan more events and activities that you would like to attend.

NOTE: Wear your name tag to our events and activities. If you don't have one, see page 18 for the ordering information.

Hope to see you soon,

Barb Esdale
Lake Shore Region Director

LSR – LCOC MEMBERSHIP NEWS!

Regarding Membership, we are still remaining at about 30 active dues paying members of the Lake Shore Region as of the beginning of August 2023. While we would like the number to be much higher, we are hopeful that we will increase with the upcoming LCOC National Meet in September.

I continue to encourage all the Lincoln owners (and those who don't own a Lincoln at this time) to give us a "test drive" before actually joining the LCOC. With our national organization, we are always more than eager to send out a free *Continental Comments* (a world class award winning publication) to anyone who is considering becoming a member. There is no obligation, and they won't be harassed by me or anyone else to join.

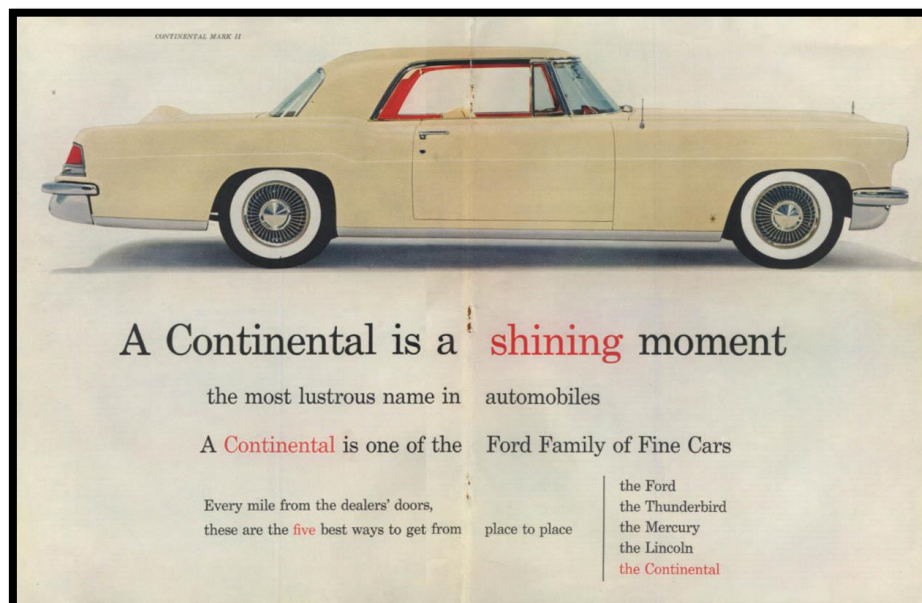

Simply send the person's address and contact information to me and I'll take it from there. Thank you for all of your efforts in advance.

Lake Shore Region's Membership Spotlight!

This month, we shine the Membership Spotlight on Richard and Kathy Cleer of Ipava Illinois. Never heard of Ipava? Don't feel left out as it is a VERY small farming town in western Illinois near Galesburg. Richard and his wife Kathy have been growing corn and other crops for many decades, but now are retired so they can devote more time to their hobbies, including car restoration.

Richard is a Ford man through and through, with a particular penchant for 1954 Lincolns. Additionally, Kathy owns an incredible collection of original Ford tableware from Ford Headquarters! They will be attending our upcoming National Meet next month, so please get to know these fine folks.

"You might say the Cleer family has always been a fan of the Ford, Lincoln, Mercury family of fine cars. One of Richard's uncles owned and operated the Ford dealership in his hometown. Another Uncle worked as a mechanic for a Ford dealership in the neighboring town and Richard's father always drove Fords and Lincolns. Richard remembers being given the keys to the family's '54 Lincoln on Saturday nights so he could drive his brothers to the local skating rink. (This was before he was legally old enough to drive!) So, when Richard found a '54 Lincoln Cosmopolitan for sale years later, it was love at first sight."

Lake Shore Lincoln Lines (Membership Spotlight cont...)

His passion for restoring old cars did not stop there.

Over the years he has also restored a '54 Lincoln Capri convertible.

The '78 Lincoln Town car was the family driver for many years and the newest addition to the Lincoln family is a '69 Mark III.

The list doesn't stop there, however. He has restored a '26 Model T roadster, two '29 Model A pickups, a '69 Mustang Mach 1, a '39 Mercury convertible, a '66 Bronco roadster that has been in the family for over 40 years, a '67 Ford F-100 pickup, and a '67 Ford Military vehicle (MUTT). He is currently restoring a '67 Mustang fastback that was also owned by a family member, and waiting in the wings is a '46 Ford hot rod coupe that belonged to an uncle. As a kid, Richard remembers visiting his uncle in his workshop while he was working on it. The car was never finished due to the uncle's death, and it took years before Richard found it. It was in a shed with trees growing through it. It's now safely stored ready for restoration.

Richard's love for the antique car hobby has been one of patience and hours of hard work."

GENEVA CONCOURS *d'Elegance*

Geneva, IL
Sunday, August 27th

Sunday, August 27th is a ways off but there is pre-registration forms that need to be filled out and sent in for the annual Geneva Concours d'Elegance event if you plan on attending with your car. The featured vehicles will include the Springfield Rolls Royce, Continentals (Edsel Ford's dream), cars of the Classic Era, Micro cars and Tuner Cars.

Here is the website www.genevaconcours.net Click on Application. You will see two choices - - Concours Nominations and Car Clubs. The car clubs parking area is for cars that are not judged by the Concours judges. Fill out the information sheet(s) for whichever applies to you and send in soon. Each car owner will have to register, sign the liability form and send in their \$20.00 registration fee. Early registration is very important. There is a limited amount of room for the many car clubs. If you do not register, you won't have a reserved spot in the lot. As individual registration forms/fee are received, each member will be sent an acknowledgement and a map to get to the Kane County Court House.

A CAR SHOW WITH US JUST IN MIND

Yes, I realize it is being held on Labor Day, but for those that do not practice the "hot dogs, baseball, apple pie and Chevro..." well you know the last word. Why not. Could be a lot of fun meeting other car owners that believe in rolling living rooms. Studio Hot Rods is located west of Spring Grove on Route 12 at N. Solon Rd. hope to see you there...

What. Another day?

This idea is a result of a few of us initially discussing shipping our vehicles to Springfield for the Mid-America National Meet versus taking the risk of driving them to Springfield. Those arrangements ultimately resulted in vendors being unable to accommodate the logistics we had come up with, so the idea was scrapped. What did come out of this was the same group caravanning down on Tuesday September 19th with small side trips on Route 66 to see some interesting road icons. With the meet officially starting on Wednesday this would make for some laid-back travel getting there on Tuesday. To be clear, the exact meeting times and locations have not been confirmed, but it seems like one meeting place will be in the Route 53/Interstate 90 area in Schaumburg and the other one around Interstate 55 and Route 30 in Plainfield. This is being proposed based on the group confirmed as going already (5 Lincolns). I am suggesting only two meet-up areas otherwise it becomes too time consuming.

So if I have your attention. Here is the rest of it:

Meet in Plainfield at 10:30.

We have lunch in Dwight at the Old Route 66 Family Restaurant at 11:30 and leave around 12:30-1:00.

We then travel old Route 66 to Odell and check out the restored Standard Gas Station from the 1930's. Next stop Pontiac, for a club photo at the Route 66 mural. Then on to Lexington to travel Memory Lane; an old stretch of the actual Route 66 pavement complete with period billboards, telegraph poles and Berma Shave signs. Then on to Bloomington for a stop at the Evergreen Memorial Cemetery (see insert for the attraction). You can google these attractions for more information as well. Taking our time, this should take about 3 hours or so. We then get off Interstate 55 and shoot the rest of the way down to Springfield arriving at dinner time. Trust me, just driving an old car down such an icon as Route 66 aka The Mother Road is an experience all on itself.

If I still have your attention and this sounds like something extra you would want to be a part of send me an email at pcw1@outlook.com or call me, Terry Burns at (262)206-2644. I will only be corresponding with those that show interest in this moving forward. Keep in mind, you will need to call the Crown Plaza to make accommodations for Tuesday night. They will still honor the \$124 per night as part of our convention package.

What's your favorite destination on Route 66 in Illinois?

We're looking for the places you most like to visit. Share your stories and photos with fellow Route 66 enthusiasts. Whether it's a mom and pop restaurant, a park, a museum or entire town, let's highlight the best of Route 66.

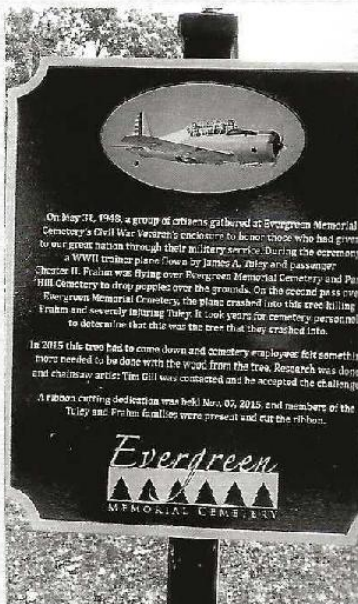

John Weiss shares one of his favorite places on Route 66:

Side Trip

When traveling on Route 66 in the Bloomington / Normal area you may want to make a side trip. Visit the Evergreen Memorial Cemetery. Easily found by following the signs on Route 66 (Main st. or Rt. 51) to the Adlai E Stevenson Grave Site. This cemetery is located one block from Gene's Ice Cream shop on Miller St.

In this unique cemetery are many plaques telling some very special stories. The most unique is the airplane and tree wood carving memorial.

In 1948 during a civil war memorial service a plane was dropping poppies from above. Sadly the plane hit a tree in the cemetery and crashed. The pilot was severely injured and his passenger was killed. In 2015 this tree died, but instead of cutting it down they hired a wood carver to create this one of a kind monument. See the photo of the story.
