Newsletter - Lake Shore Region - Lincoln & Continental Owners Club

January/February 2024

## A Message from the Director

Hi to all,

2024 is fast approaching as I write my first column as your Lake Shore Regional Director. I am humbled and am very much appreciative of the Board's support in my new role. I take this job very seriously and look forward to doing my best to have our club grow in quantity of members AND in quality of our future events.

First, let me thank Barb Esdale for the many years of leadership she has given to this organization. Our group would not be who we are without her guidance. Barb has also signed on as our club new secretary, which is great because I KNOW she will keep all of us on task!

Secondly, let me update all of you on Terry Burns. I am so happy to write that Terry is finally home after his long recovery from his serious fall. We look forward to seeing Terry once again at our Holiday Luncheon in Barrington. Welcome back Mr. Treasurer!

Let me also thank new board member Jim Hubacek. Jim has graciously stepped up and has agreed to be our new Membership Chairman and Theresa Castro will be assisting Jim! Jim's initial column is in this issue of *The Lincoln Lines*. Thanks Jim!

And speaking of others stepping up, we have Joe Russo is now handling our events and Bill Fletcher will now be our director of all social media content. That is a VERY important element of our club as we go forward. Bill has done a great job monitoring our Facebook page for some time now, and we look forward to seeing what he comes up with in the future.

There are so many things to write about, I could fill the whole issue, so I'll hold off for now, except to say that your board has a lot of fine events in the planning for 2024. These include a fall driving event, a tour of a machine local shop and many others. Of course, in addition to our club events, Laura and I are looking for stories about what YOU are involved in for inclusion in the newsletter, such as your winter car project or a Lincoln you might have just purchased. We need to hear from you!

Finally, we hope you all have a wonderful Christmas Holiday and a blessed, healthy New Year! I hope to see all of you on January 20th, the details in this issue.

John McCarthy  
Lake Shore Region Director

### 2024 SCOTTSDALE AUCTION: 1957 Lincoln Continental Mark II Custom Coupe “Cashmere” – No Reserve

November 15, 2023 - Posted by Barrett-Jackson

Known as “Cashmere,” this custom Resto-Mod 1957 Lincoln Continental Mark II is powered by a Ford 5.0-liter Coyote engine equipped with an Edelbrock Victor II EFI manifold. The engine is mated to a Performance Automatic 4R70W Street Smart 4-speed automatic transmission with a Simple Shift transmission control system operated using a Mastershift push-button head unit.

The build started with a California car and was designed and modified by the acclaimed Havasu Speed. The original frame rails were boxed and melded with a newly designed front clip from Jim Meyer Enterprises.

The full front and rear independent suspension were designed by Kugel Komponenten to support the weight of a larger car (approximately 4,900 pounds). The power braking system has Willwood 6-piston calipers clamping on 13-inch drilled and slotted rotors. The undercarriage is completely powder-coated in two-tone colors and sports a center section belly pan for a completely clean look. The 19-inch wheels were cut by Colorado Custom with 19×9 fronts and 19×9.5 rears. This custom Continental’s smooth ride is courtesy of a RideTech air-ride suspension system controlled by AccuAir management.

Subtle body modifications include the roof chopped by 1.75 inches, front headlight fenders shortened by .375 inches, rear decklid spare tire hump shortened by 2.75 inches and sectioned by 2 inches, custom door handles designed to follow the side body line, and the front bumper completely redesigned, shortened and tucked into the car’s body. The Dark Cashmere paint (a Bentley color) was provided by Sickens. Premier Street Rod of Lake Havasu, AZ, did the body prep and paint.

Audio was provided and installed by KICKER. The all-leather interior was designed by Ron Mangus Interiors with the dashboard designed by the owner. Gauges were done by Classic Instruments with custom logos approved by Ford. Other features include power rack & pinion steering, air conditioning and power windows. Accolades include the inaugural Sam Foose Memorial Design Award presented by Chip Foose at the 2020 LA Roadster Show, Al Slonaker Achievement Award and Al Slonaker Outstanding Interior at the 2020 LA Roadster Show, Goodguys Del Mar First Place Custom Rod, Goodguys Scottsdale Top 10 Award and Goodguys Custom of the Year Top 12. The Cashmere is selling with No Reserve at the 2024 Scottsdale Auction, January 20-28, at WestWorld.

## White Fence Farm Annual Meeting & Dinner

The White Fence Farm event brought out over 20 members and friends who enjoyed a nice afternoon conversing and partaking in the delicious food.

A few announcements were made but no meeting was held. John McCarthy spoke about Terry Burns condition. Barb Esdale resigned from being Director but said she would stay on the board as the Secretary. John McCarthy stepped in to take over Region Director.

Due to changes on the Board and a survey going out to membership, a meeting was to be set up soon.

## Special Board Meeting

On Saturday November 18th the Lake Shore Board members gathered for a brief meeting in Schaumburg to discuss many of the new changes and the survey results sent out to the general membership a week earlier.

Board members in attendance were Barb and Joe Esdale, Harry Came, Jim Hubacek, Theresa Castro, Jack and Bill Fletcher.

Our team is working hard to deliver a quality plan for 2024 events!

## Saltine Toffee

Submitted by Laura Cielenski

### Ingredients:

- 48 saltine crackers
- 1 cup salted butter
- 1 cup brown sugar
- 2 cups semi-sweet chocolate chips

### Directions:

1. Preheat oven to 400°F.
2. Line large pan with foil (11"x17").
3. Combine butter and brown sugar in a saucepan and bring to a boil over medium heat. Once the mixture comes to a rolling boil, let it boil for 3 minutes without stirring.
4. While the mixture is coming to a boil, place crackers in a single layer on the foil.
5. Very carefully pour the toffee mixture over the crackers.
6. Place the pan in the oven and bake 4-5 minutes or until the mixture is bubbly. Turn the oven off.
7. Remove from the oven and rest 1 minute.
8. Sprinkle the chocolate chips over the top and let sit 4-5 minutes or until chocolate is soft. Spread chocolate evenly.
9. Sprinkle the top with salt, crushed pecans, almonds or sprinkles.
10. Cool at room temperature 25 minutes. Refrigerate or freeze to cool completely. Break or cut into pieces.
